Statement on Compliance with the EU Taxonomy's Do No Significant Harm (DNSH) Criteria for Pollution Prevention and Control, Annex C

Requirements for Chemicals Used in the EU Taxonomy:

All building components and materials used in sustainable construction and renovation projects must comply with Regulation (EU) 2020/852 on the EU Taxonomy and its delegated acts.
The Delegated Regulation (EU) 2021/2139 on Technical Screening Criteria specifies requirements for chemical products used under the "Do No Significant Harm" (DNSH) criteria in section *"7.1 Construction of new buildings"* and section *"7.2 Renovation of existing buildings"*. Points 1–9 below reproduce these material requirements as stated in (EU) 2021/2139.

The signature confirms that, as of today, the product complies with points 1–9 below.

Statement on Compliance

Product:	ESL235
Producer:	CIARKO Spółka z ograniczoną odpowiedzialnością Sp.K
Adress:	Okulickiego 10, 38-500 Sanok, Poland.

The substances referred to may not be manufactured, placed on the market, or used.

1.	**(EU) 2021/2139, Annex C, point (a) (persistent organic pollutants (POPs))** The product does not contain substances listed in Annex I or II to Regulation (EU) 2019/1021, unless present as unintentional trace contaminants
2.	**(EU) 2021/2139, Annex C, point (b) (mercury and mercury compounds)** The product does not contain mercury or mercury compounds as defined in Article 2 of Regulation (EU) 2017/852.
3.	**(EU) 2021/2139, Annex C, point (c) (ozone-depleting substances)** The product does not contain substances listed in Annex I or II to Regulation (EU) 1005/2009.
4.	**(EU) 2021/2139, Annex C, point (d)** The product does not contain electrical and electronic equipment as defined in Annex I to Directive 2011/65/EU (RoHS) that contains substances listed in Annex II to that Directive, unless fully compliant with Article 4(1) of the same Directive.
5.	**(EU) 2021/2139, Annex C, point (e) (REACH Annex XVII, the restriction list)** The product does not contain any substances listed in Annex XVII to Regulation (EC) No 1907/2006 (REACH), unless fully compliant with the conditions specified in that Annex.
6.	**(EU) 2021/2139, Annex C, point (f) (REACH Article 59(1), Candidate List substances)** The product, including individual components, does not contain substances in concentrations above 0.1% (weight/weight) that have been identified in accordance with Article 59(1) of Regulation (EU) 1907/2006.
7.	**(EU) 2021/2139, Annex C, point (f) (REACH Article 57(a), (b), (c), potential Candidate List substances)** The product, including individual components, does not contain substances in concentrations above 0.1% (weight/weight) that meet the criteria for classification in one or more of the following hazard classes: • Carcinogenicity category 1A or 1B in accordance with section 3.6 of Annex I to Regulation (EU) 1272/2008 (CLP) • Germ cell mutagenicity category 1A or 1B in accordance with section 3.5 of Annex I to Regulation (EU) 1272/2008 (CLP) • Reproductive toxicity category 1A or 1B, adverse effects on sexual function and fertility or on development, in accordance with section 3.7 of Annex I to Regulation (EU) 1272/2008 (CLP)"
8.	**(EU) 2021/2139, Annex C, point (f) (REACH Article 57(d), (e), potential Candidate List substances)** The product, including individual components, does not contain substances in concentrations above 0.1% (weight/weight) that are: • Persistent, bioaccumulative and toxic (PBT) according to the criteria in Regulation (EU) 1272/2008 (CLP)
9.	**(EU) 2021/2139, Annex C, point (f) (REACH Article 57(f), potential Candidate List substances)** The product, including individual components, does not contain substances in concentrations above 0.1% (weight/weight) that are: • Endocrine-disrupting substances according to the criteria in Regulation (EU) 1272/2008 (CLP)
