

DECLARATION DE CONFORMITE/ DECLARATION OF CONFORMITY

Type de matériel

Type of Product InspirAIR Top 300 / 450 (VEX40T) / InspirAIR Side Classic 150 / 180 / 300

est développé, conçu et fabriqué conformément aux
Directives et Normes citées ci-après

is developed, designed and manufactured in
accordance with the following Directives and Standards

1.	<u>(EU) 2021/2139, Annex C, point (a) (persistent organic pollutants (POPs))</u> The product does not contain substances listed in Annex I or II to Regulation (EU) 2019/1021, unless present as unintentional trace contaminants
2.	<u>(EU) 2021/2139, Annex C, point (b) (mercury and mercury compounds)</u> The product does not contain mercury or mercury compounds as defined in Article 2 of Regulation (EU) 2017/852.
3.	<u>(EU) 2021/2139, Annex C, point (c) (ozone-depleting substances)</u> The product does not contain substances listed in Annex I or II to Regulation (EU) 1005/2009.
4.	<u>(EU) 2021/2139, Annex C, point (d)</u> The product does not contain electrical and electronic equipment as defined in Annex I to Directive 2011/65/EU (RoHS) that contains substances listed in Annex II to that Directive, unless fully compliant with Article 4(1) of the same Directive.
5.	<u>(EU) 2021/2139, Annex C, point (e) (REACH Annex XVII, the restriction list)</u> The product does not contain any substances listed in Annex XVII to Regulation (EC) No 1907/2006 (REACH), unless fully compliant with the conditions specified in that Annex.
6.	<u>(EU) 2021/2139, Annex C, point (f) (REACH Article 59(1), Candidate List substances)</u> The product, including individual components, does not contain substances in concentrations above 0.1% (weight/weight) that have been identified in accordance with Article 59(1) of Regulation (EU) 1907/2006.
7.	<u>(EU) 2021/2139, Annex C, point (f) (REACH Article 57(a), (b), (c), potential Candidate List substances)</u> The product, including individual components, does not contain substances in concentrations above 0.1% (weight/weight) that meet the criteria for classification in one or more of the following hazard classes: • Carcinogenicity category 1A or 1B in accordance with section 3.6 of Annex I to Regulation (EU) 1272/2008 (CLP) • Germ cell mutagenicity category 1A or 1B in accordance with section 3.5 of Annex I to Regulation (EU) 1272/2008 (CLP) • Reproductive toxicity category 1A or 1B, adverse effects on sexual function and fertility or on development, in accordance with section 3.7 of Annex I to Regulation (EU) 1272/2008 (CLP)
8.	<u>(EU) 2021/2139, Annex C, point (f) (REACH Article 57(d), (e), potential Candidate List substances)</u> The product, including individual components, does not contain substances in concentrations above 0.1% (weight/weight) that are: • Persistent, bioaccumulative and toxic (PBT) according to the criteria in Regulation (EU) 1272/2008 (CLP)
9.	<u>(EU) 2021/2139, Annex C, point (f) (REACH Article 57(f), potential Candidate List substances)</u> The product, including individual components, does not contain substances in concentrations above 0.1% (weight/weight) that are: • Endocrine-disrupting substances according to the criteria in Regulation (EU) 1272/2008 (CLP)

La présente déclaration est établie sous la seule responsabilité du fabricant.
Le dossier technique étant disponible. La notice d'instruction précise en particulier les règles d'installation et d'utilisation du matériel. Si le matériel doit être incorporé à une installation, la conformité de l'ensemble doit être réalisée et déclarée par l'incorporateur final.

This Statement is established under the sole responsibility of the manufacturer. The technical file being available. The instruction leaflet gives details on the rules for installation and use of the equipment. If the equipment is foreseen to be incorporated, the compliance of the final assembly shall be declared and is responsibility of the final incorporator.
